DETAILED ACTION

This is the seventh office action for US Application 10/033,580 for an Eaves Trough Support Bracket filed on December 28, 2001.

Allowable Subject Matter

Claim 21 is allowed. The following is an examiner's statement of reasons for allowance: The prior art discloses eaves trough brackets with the elements claimed by Applicant, but does not disclose first and second legs that have a transverse height that tapers in a second transverse direction with a transverse height at the longitudinal center of a main beam of less than one half the transverse height at the proximal longitudinal end of the first leg.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
